# Donation Guide Technology

2007 - 08

Individuals often call The Center asking about how they can donate their old equipment to us. We have put together a guide listing the equipment The Center is always in need of. Should you have any questions regarding any of the items listed below, or other items not listed, please call 203-334-6154 and ask for Paul Santos. The Center appreciates your support and dedication to strengthening families!

## **Cellular Phones**

Pager Wizard of Bridgeport has partnered with The Center to help raise funds for The Center's programs. You can drop off your old cell phones at The Center or at Pager Wizard on behalf of The Center for Women and Families! Your kind donation not only will help save our environment, but you will be helping to support the services we offer to the families in our community. For more information, please visit our website at [www.cwfefc.org](http://www.cwfefc.org) and click on the Donate Now page.
